Abstract

How it works

- Together with your office interior designer we will organise a workshop to either match existing artworks to your home interior and personal tastes, or to develop a unique wall-art concept in line with your lifes-style.
- We will discuss copyright preferences, the required number of artworks, their respective sizes and framing styles, and the renting / purchasing options.
- You will be able to select, from a large body of work, the artwork that meets your expectations.

Framing options

- *Dibond
- *Aluminium
- *Double plexi
- Wood

** available with wooden American frame.*
